1781 purse in python from Asprey (853 Madison Ave.; asprey.com). I have a handbag fetish, and this one is so beautifully constructed by hand. The style is timeless, and exotic skin always holds value. The hardware is all sterling silver, too.

LIDIA BASTIANICH

Restaurateur, chef, author and television host

A rowing catamaran. When I was a girl in Italy, I loved these sleek wooden boats that appeared to glide so easily on water.

That my daughter comes home for winter break, actually spends some time with her family and restrains herself from constant texting.

TAMMY BROOK

President and founder, FYI Public Relations

I am enamored with the Kelly Double Tour bracelet from Hermès (691 Madison Ave.; hermes.com)

in black, red and brown—all colors. Its modern wrap design is the perfect complement to any outfit.

CORALIE CHARRIOL

President and founder, C.lili by Coralie Charriol

To relax with my family in Hawaii. I'm also secretly hoping for the black and white Alaïa dress and boots to get me through winter.

ORFEH KARL

Recording artist and actress, Legally Blonde: The Musical

I would love a holiday dream vacation and shopping spree in Paris.

ROXY OLIN

Actress

Since I'm planning to be in my new apartment over the holiday, on my wish list is a recliner. I want one just like my grandfather's—oversize, leather and cozy.

BETH SHAK

Professional poker player

My dream holiday gift would be a day at the Great Jones Spa (29 Great Jones St.;

greatjonesspa.com), then to come home and find a Marilyn Minter on my wall.

CALLIE THORNE

Actress, Rescue Me

I can't choose betwixt a few pieces from Lipsy London (lipsy.co.uk) or a big chunky necklace from T.Cyia (Scoop, 430 W. 14th St.; scoopnyc.com). I'm obsessed with both.

ANNABEL TOLLMAN

Celebrity stylist and fashion journalist

A little two-seater Mercedes (536 W. 41st St.; mbusa.com) like Richard Gere drives in *American Gigolo*, an antique diamond (or paste) riviére necklace and everything on my eBay watch list.
